INTERVIEW SUMMARY

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

This paper is being filed to memorialize examiner Kugel's conversation with Kelly Plummer, Ph.D., on November 3, 2008, in the above-referenced matter.

The examiner telephoned Dr. Plummer on November 3, 2008, to inform her of the status of the above-referenced application in view of the amendment after final electronically filed with the Patent Office by the undersigned attorney on October 22, 2008. The 6-month date after final rejection is Wednesday, November 5, 2008. Accordingly, any additional action to continue prosecution of this application would need to be taken on or before Wednesday, November 5, 2008 (today).

The examiner advised Dr. Plummer on November 3 that the application had been allowed. PAIR records do not reflect the current status of the application. Nevertheless,

in view of the examiner's indication that the application has been allowed, no additional action is being taken to continue the prosecution of the above-referenced application.

Dated: November 5, 2008

Respectfully submitted,

By /Andrew M. Lawrence/
